Dear Harold,

Hope you and your wife had a great holiday. Well, here it is. The material I got from the Navy on Roscoe White. Military and medical files. I sent you everything I received. I have appealed. I want to determine if the JFK Center filed **the day after the press conference.** It could be Jim Lesar filed. If so the folks at the Center failed to do what they should have done... investigate the case.

I tried to put the material in chronological order. It took time but I was somewhat successful. I received some of the materials through a "nameless" source last year. I think I know who the source was. At any rate, those materials are mixed in so the dates are in sequence. I will let you know how I make out on the appeal. Enjoy the files.

Best wishes,

Dave
